

A floral affair

Join BONA for a fun day filled with some colourful inspiration!

The ability to design a flower arrangement is a gift. But, even the most amateur among us can still learn some basics on how to display flowers beautifully. Naadim Strauss, a talented florist from Bryanston Flowers, will share valuable tips while showing you how to put flowers in a vase and design some arrangements from scratch. With over 35 years of experience in the industry, he was part of the team that arranged flowers for Madiba's funeral. He is also a respected tutor for Interflora.
